Issue: 12

12th January 2018

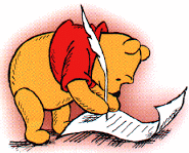

Happy New Year and welcome to the Spring Term, and the new-look newsletter. We hope that you enjoyed the Christmas break and that the children are back ready for the challenges to come.

A Massive thank you from the NSPCC.

The school raised an amazing £1661.04 for their 'Speak Out, Stay Safe' appeal. Their message reads... *'Your fundraising will make a vital difference. The simple truth is our work wouldn't be possible*

without the kindness and generosity of supporters like you and everyone at your school. The money you have raised will make a real difference to the lives of children across the UK and the Channel Islands. Together we can help to shape a society where abuse doesn't go unchallenged, where children are empowered to seek out help, and where every call for support can be answered.'

Thought for the Week

A little consideration. A little thought for others. Makes all the difference.

Reminder! Reception Places need to have been applied for by midnight on Monday 15th January.

Also, the children need to bring their PE kits back ready for a Tuesday morning and Friday afternoon.

The Curve and Slough Libraries want you to let them know how your local libraries are doing. Are they matching your expectations and what more can they do?

They'd like to know the views of everyone in Slough, whether they do or do not use their libraries. The survey can be found at <https://www.surveymonkey.co.uk/r/CurveLibrarySurvey> and paper copies will be available in all Slough libraries.

Every completed survey participant will be entered into a prize draw to win a £25 voucher to spend on tickets for events at The Curve or your local libraries. The deadline is 19th February.

SLOUGH MUSIC CENTRE, at Beechwood School, SL2 1QE are offering drumming sessions for children who are 3+ on Thursdays during the spring term between 3.50pm and 6.15pm.

This is to allow pupils who don't already learn to play an orchestral, world or rock instrument a chance to join the weekly activities. The drumming will be led by hub partners and drumming experts Inspire Works. We are offering both primary and secondary aged drum groups and we will provide the instruments.

Pupils can come and join the African drumming group, then sing in the choir and then learn another percussion instrument as part of the 'Rhythmix' group. In total they get 2 hours and 15 minutes of musical activity all for only

£5.00/£2.50/£1.25 a week!
(depending on household income)
