THOUGHT FOR THE WEEK-

Competition has been shown to be useful up to a certain point and no further, but co-operation, which is the thing we must strive for today, begins where competition leaves off.

Franklin D. Roosevelt

Mega Raffle

We have been donated three pairs of tickets to the Muller Anniversary Games at the Queen Elizabeth

Olympic Park on 9th July. As this is a Sunday, we have decided to hold a raffle. By purchasing a raffle ticket for £5.00, you could potentially win two tickets with a total value of £48.00.

Any money raised will be used to purchase sporting equipment for our youngest pupils, in the hope that they are inspired to develop their sporting talents and may one day compete at this prestigious stadium themselves.

More information will follow in a separate letter, but tickets are now available from the office.

Are you looking to return to work?

O2 are running a career returners programme where they want to encourage both men and women, who have had 2-10 years out of work, by offering them the opportunity to get some work experience and coaching with the potential of securing a role at the end of it. This is a paid programme for 14 weeks.

The roles are in different areas of the O2 business – such as Technology, IT, Networks, Service Management, Business Operations, Customer Service and Transformation, Sales, Finance and Digital.

Full details can be found by following the link <http://wrpn.womenreturners.com/o2-career-returners-programme-2017/>
