

## PE and Sports Grant

The government is providing additional funding of £450 million commencing September 2013 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

### Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this. A list of possible uses has been suggested.

#### Lynch Hill School has decided to use the money to:

- Enter into Partnership with Slough Schools Sports Network, to enable staff and pupils to have access to their Sport Program. This package includes staff training and allows children to enter a range of tiered competitions.
- Pay for additional professional development opportunities for Sports coaches and teachers, in PE and sport
- To ensure that PE lessons are adequately resourced to enable good & better teaching (with resources that are differentiated)
- To support and engage the least active children in physical activities
- To enable reluctant pupils to readily participate in PE lessons and increase participation in physical activities
- To use sport as a means of providing mentorship and for developing leadership
- To introduce new sports for pupils across the school to participate in

**The impact of the use of the grant will be reviewed at the end of this year.**

#### HOW THE IMPACT WILL BE MEASURED:-

Objective	Measure
High Quality PE lessons	Observations show over 90% of lessons are good or better Resources are used effectively to support learning Additional sports TAs are used in all lessons  <i>Review:</i> Observations and learning walks each term show that teaching and learning is consistently good in PE. Very effective use of Sports TAs to support greater participation by all pupils
Pupils make progress in PE lessons and that participation and enjoyment in PE is a contributing factor in	Assessment details show pupils make good or better progress and attainment is in-line with National Expectations. Higher % of pupils are exceeding LHS sports targets in a growing ranges of sports across KS1 and KS2

<p>raised attainment in core subjects across the school</p>	<p><b>Review:</b> PE assessment data shows that at least 85% of every cohort are at the expected standard or above in all sports in KS1 and lower KS2, with over 90% in many sports. In upper KS2, we will continue to closely track performance in gymnastics, softball and tennis in order to raise attainment further.</p>
<p>Increased Participation in Sports Clubs by reluctant participators</p>	<p>Club registers will be analysed to monitor the attendance of: New participants, girls, boys, Pupil Premium, EAL &amp; SEN. Young Leaders will have been used to support clubs and children, encouraging and supporting the more reluctant</p>
<p>More able pupils are given greater challenge in lessons and clubs</p>	<p>More-able pupils in sport are given the coaching and mentoring to develop further and achieve greater success in their chosen sporting activities. Continued success in Slough and Berkshire competitions Greater links between LHSPA and outside clubs <b>Review:</b> See below for summary of competitions and development of more able athletes during 2016/17</p>
<p>To make considerable progress towards achieving the Sainsbury's Gold Quality Mark</p>	<p>Address targets as set out after silver award audit and work towards achieving Gold award in either summer/Autumn 2016 or 2017 <b>Review:</b> Gold award achieved in Autumn 2016 and retained in Summer 2017. We will begin work towards achieving Platinum in two years time.</p>
