## The new General Data Protection Regulation – you and your child’s data.

We have updated our data privacy notices to let you know how we store you and your child’s data. We have not changed what information we hold, but we are letting you know the ‘whys and wherefores’, in line with the new regulations. As the document is eight pages long, we will be emailing a copy to all parents where we hold their e-mail address. We have also put a copy on our website :

<http://lhsprimaryacademy.org.uk/parents/useful-information/>. If you would like a paper copy, please contact the school office.

## Class Photos

The photographer will be in on Monday 4<sup>th</sup> June- the first day back. She will be taking photos of class groups for a montage that will be available to buy soon.

## Cars in Garrard Road

We know that most parents are courteous and sensible when bringing their children to school, either walking, by bike or in the car. However, on Tuesday morning, one of our parents driving a dark red/burgundy car thought that it was acceptable to make someone else drive up onto a pavement as she was not prepared to reverse a little in order to let a row of cars through. The selfishness of this lady could have resulted in all sorts of mess. As it was, it caused a huge build-up of traffic in Calbroke Road and Long Furlong Road, resulting in a number of people hooting and getting fractious, all because of this one lady who would not yield. Please – consider the children; be kind to one another; be the role model your children need.
