8th June 2018

Eid al Fitr

We are aware that Ramadan will be drawing to a close this week, and the celebrations of Eid will take place. If your child is going to be absent from school, please make sure you have completed the [blue Religious Absence form](#). If you are unsure of the date then it is acceptable to put down more than one.

Bike/Scoot to School Week

Bike Week, delivered by Cycling UK, is an annual opportunity to promote cycling and show

how cycling can easily be part of everyday life by encouraging 'everyday cycling for everyone.' So next week we are encouraging the children to ride to school if they possibly can. For those who don't cycle, scooting is another option.

Healthy Children

Data recently released shows that a high percentage of children around the country and in Slough are either overweight or obese. The school is investigating ways in which we can support all of our children to be healthy in their choices both of food and of past-time. If you are interested, resources to encourage healthy eating, physical activity and emotional wellbeing can be found at the following websites:

- 'Our Healthy Year' resources help encourage healthy habits during a child's first year at school and helps older children build on the habits they need for secondary school and for life:

<https://campaignresources.phe.gov.uk/schools/topics/our-healthy-year/overview>

- The Chief Medical Officer's physical activity guidelines fact sheet for 5-18 year olds can be found at:

www.gov.uk/government/uploads/system/uploads/attachment_data/file/213739/dh_128144.pdf

- The Eatwell Guide can be used to see government recommendations on eating healthily and achieving a balanced diet:

www.gov.uk/government/publications/the-eatwell-guide

Thought for the Week

*The Self exists without the mind,
never the mind without the Self.*

Sri Ramana Maharshi
