29th June 2018

Responsible Parenting!

Are you a responsible driver? Are you a responsible parent? Do you live near enough to walk to school? Could you park locally and walk? Could you leave a little earlier in order to do so?

If you answered 'Yes!' to any of these questions, then obviously you aren't the parents who habitually block the road to let their children out of the car, and you aren't the ones who are causing traffic jams and endangering your children!

Please don't stop outside the school gates!

Please keep off the mound!

The mound is currently rather slippery as the grass has become over-long. Please encourage your children not to walk on it as they come into, or leave school.

Discos- 3:15 to 4:15pm

Reception & Year 1- Mon 2nd July

Years 2 & 3- Wed 4th July

Years 4 & 5- Thurs 5th July

Nursery news

We will be having a water week in nursery the week commencing 9th July. The children will be allowed to get wet and have lots of fun on one day of that week, depending on the weather forecast. All children will need to bring in a small named hand towel. Please provide a change of clothes and shoes that the children can get wet. Swimming costume and a t-shirt or swimming shorts and t-shirt is ideal. We will confirm the wet play day nearer the time.

Thought for the Week

Remember this: you are free to choose, but you are not free from the consequence of your choice.

Summer Holiday Activities

All of the sessions below are free to attend for children aged 5-16 years old. Children under the age of 8 must be accompanied by an adult for the whole session.

All sessions are weather dependant, so keep up-to-date via the methods below.

DECATHLON

Active Slough
