Dear Parents

Re: KS2 Clubs (1st Half of Autumn Term 17Sept - 12Oct 2018)

Welcome back to the new school year; as every year, we would like to offer our pupils a variety of clubs across the three terms. You may also be aware that all of the clubs offered at Lynch Hill School are affiliated to the Children's University Scheme. Please find details of this term's clubs listed below.

The cost for each club is £1 per week which will only be requested after the offer of a club place has been made. Unfortunately places for each club have to be limited so as to utilise resources effectively and offer the best experience for pupils. Where the club is oversubscribed we will operate a random allocation process.

Remember::

Morning Clubs are a good way to boost your Children's University hours. If accepted onto a Morning club, please ensure your child is at school in PE kit for 7:55am, at the main office, where they will be registered. Pupils will be able to change into school uniform before the start of the school day. Please ensure your child arrives on time.

If accepted to a club, I will pay the full club fees in advance (£1 per session) and ensure my child attends EVERY week.

I confirm I will collect my child / they can walk home alone/ go to Lynch Hill After School Club. ****In the interests of pupil safety, please select the correct option to explain how your child will leave school. Forms which are incorrectly filled out will be returned and not considered.****
