26th October 2018

Data Collection Sheets

We are in the process of sending out the data collection sheets to ensure that all our information is accurate and up-to-date on our system. It is vital that in an emergency we can contact parents and carers on the correct numbers.

We ask for National Insurance numbers for one single purpose- so that the school can claim additional funding for all children to support their education. Some of the funding available is not based on those who are in receipt of benefits, but simply on numbers; hence the need for everyone's National Insurance numbers.

Nursery News and reminders

Following half term we will be starting our weekly P.E. sessions in the hall. Please send your child in with a named P.E. kit and spend some time practicing getting dressed independently during the holidays.

For safety reasons please can parents/carers not allow their children to use our play equipment before or after school? Also our gates need to be secured promptly after each session so can we kindly ask that you leave swiftly?

Finally, our lunch time assistants have asked that when parents are dropping their children off to our afternoon session, they do not try to approach their older children in the big playground. Thank you.

Reading reminder!

All children need to be reading for 20 minutes a day at home and have their reading records signed. Reading is a vital life skill and something that we want our pupils to love and enjoy, so please encourage your child to read at home with you!

Thought for the Week

A small group of thoughtful people could change the world. Indeed, it's the only thing that ever has.

Margaret Cooley

Bikeability

Before the holiday, 23 Year 6 pupils took part in Bikeability sessions, offered by Cycle Experience. This is a course that provides children with the opportunity to develop their cycling skills and most importantly learn how to be safe.

13 pupils earned level 1 and 8 pupils were awarded level 2! More Bikeability sessions will be held this academic year, watch this space!

Bikes and Scooters

Please be reminded that bikes and scooters are not allowed to be ridden on school premises. In order to keep everyone safe, they should be walked down the drive! Thank you
