

Travel Plan – Annual Development Plan 2015 - 2016

Issues raised by travel survey	Objective	Target	Details of proposed measures	Timetable for implementation	Lead person/group responsible	Budgetary considerations
<p>Currently 45% of children arrive to school by car (4% increase from the previous year)</p> <p>Parents are driving because of long length of journey, time and some consideration of cost.</p> <p>Parents are unwilling to let their children cycle to school because of the lack of designated cycle paths on the way to Lynch Hill. They have also exercised some concern over the width of the pavement and dog mess continues to be an issue.</p>	<p>Reduce the numbers of children coming to school by car.</p> <p>Increase the number of children walking and cycling</p>	<p>Decrease the % of children arriving by car from 45%</p> <p>Decrease the number of cars parking on Garrard road.</p> <p>Increase the number of children walking to 55% from 49%</p> <p>Increase number of children cycling to about 10% (currently it has been 5% for the past two years).</p>	Continue to be involved with the Bike IT Programme.	Ongoing.	Janee Hulland/ Ellie Ellwood	Being funded by the SBC LSTF.
			Participate in Annual Walk to School week.	May annually.	J Madley	Being funded by SBC.
			Participate in the Living Streets WoW Scheme which rewards pupils who travel actively.	Started in September 2013 and is ongoing	J Madley / Laura Wells	Being funded by the SBC LSTF. Funding is currently scheduled to finish in March 2016
			Encourage use of scooters and bikes through a new scheme called "The Rainbow Padlock". A special padlock will be attached to a bike or scooter once a week who will receive a special prize. This scheme should encourage use of bikes and scooters.	Summer Term 2015	J Madley J Hulland	N / a
			Promote the cycle routes to school through leaflet now available on the Lynch Hill website.	On going	J Madley	Available on the website as of June 2015

Issues raised by travel survey	Objective	Target	Details of proposed measures	Timetable for implementation	Lead person/group responsible	Budgetary considerations
<p>The survey highlighted that there is a lot of dog waste on the pavements surrounding the schools. This is resulting in a reluctance to walk to school.</p> <p>School to notify SBC about concerns over dog waste and encourage the LHS community to report on going concerns.</p>	<p>Improve surrounding areas to encourage children to walk to school.</p>	<p>To reduce the number of complaints about dog waste to less than 10. This year we received approximately 20 comments from the parents' survey.</p>	<p>Discussion with SLT and SBC about dog waste on roads surrounding school.</p> <p>Competition to be run to design a poster encouraging responsible dog ownership who pick up dog waste. Poster to be produced and displayed on external school gates.</p>	<p>Autumn term and on going</p>	<p>J Madley J Davies</p>	<p>Healthy schools budget to produce posters</p>
