

## PE and Sports Grant

The government is providing additional funding of £450 million commencing September 2013 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

### Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this. A list of possible uses has been suggested.

#### Lynch Hill School has decided to use the money to:

- Enter into Partnership with Slough Schools Sports Network, to enable staff and pupils to have access to their Sport Program. This package includes staff training and allows children to enter a range of tiered competitions.
- Pay for additional professional development opportunities for Sports coaches and teachers, in PE and sport
- To ensure that PE lessons are adequately resourced to enable good & better teaching (with resources that are differentiated)
- To support and engage the least active children in physical activities
- To enable reluctant pupils to readily participate in PE lessons and increase participation in physical activities
- To use sport as a means of providing mentorship and for developing leadership
- To introduce new sports for pupils across the school to participate in

**The impact of the use of the grant will be reviewed at the end of this year.**

#### HOW THE IMPACT WILL BE MEASURED:-

Objective	Measure
High Quality PE lessons	Observations show over 90% of lessons are good or better Resources are used effectively to support learning Additional sports TAs are used in all lessons
Pupils make progress in PE lessons and that participation and enjoyment in PE is a contributing factor in raised attainment in core subjects across the school	Assessment details show pupils make good or better progress and attainment is in-line with National Expectations. Higher % of pupils are exceeding LHS sports targets in a growing ranges of sports across KS1 and KS2
Increased Participation in Sports Clubs by reluctant participators	Club registers will be analysed to monitor the attendance of: New participants, girls, boys, Pupil Premium, EAL & SEN. Young Leaders will have been used to support clubs and children, encouraging and supporting the more reluctant

<p>More able pupils are given greater challenge in lessons and clubs</p>	<p>More able pupils in sport are given the coaching and mentoring to develop further and achieve greater success in their chosen sporting activities.  Greater success in Slough and Berkshire competitions  Greater links between LHSPA and outside clubs</p>
<p>To achieve make considerable progress towards the Sainsbury's Gold Quality Mark</p>	<p>Address targets as set out after silver award audit and work towards achieving Gold award in either summer/Autumn 2016 or 2017</p>

# Sports Grant Report 2015-16

Grant received - £11,270			
Total number of pupils on roll			
Summary of Grant spending 2015-16			
<b>Objective</b> <ul style="list-style-type: none"> <li>To effectively use the Sports Grant to raise the profile and outcomes for children in PE, Sport and physical activity across school by               <ul style="list-style-type: none"> <li>Subscribing to the Slough Schools Sports Network (SSSN)</li> <li>Improving the provision of PE (teaching and resources) at Lynch Hill School</li> <li>Increase the participation of pupils in sports clubs and PE lessons</li> </ul> </li> </ul>			
Planned spending record 2015-16			
Objective	Activity	Cost	Outcome/Update
1. Audit PE equipment both for PE/Sport and physical activities in the playground.	PE staff to complete audit & place bids to replace equipment as needed	£3574	New resources purchased for: Sports Hall Athletics Badminton Tennis Hockey Gymnastics Tag Rugby Cricket
