Key and recommended walking & cycling routes

Lynch Hill School Primary Academy

Walking & cycling map

About the map

Slough Borough Council commissioned Living Streets to work with eight schools across Slough to prepare walking and cycle maps. The maps have been developed by Living Streets with artistic input from Lynch Hill School Primary Academy pupils. The maps provide both key and recommended safe walking routes provided by Living Streets and cycle routes provided by Slough Borough Council.

About Living Streets

Living Streets is the national charity that stands up for pedestrians. With our supporters we work to create safe, attractive and enjoyable streets, where people want to walk. Living Streets has run the Walk to School campaign since 1995. It now reaches more than 1.9 million children each year.

The Walk to School campaign's aim is simple: to encourage all parents, children and young people to make walking to school part of their daily routine. Our vision is that every child who can walk to school does so. Living Streets offer a wide range of classroom resources, lesson plans and national schemes that help over 6,800 primary and secondary schools to promote walking. For more information, visit
