

06<sup>th</sup> February

**Key Stage 2 Clubs (Spring Term 2016 – 5 weeks (27Feb to 29Mar)**

As you may be aware, all of the clubs offered at Lynch Hill School are affiliated to the Children's University Scheme. This scheme awards pupils for time spent in extra-curricular activities. We aim to offer a variety of clubs across the school year. Please find details of this term's clubs listed below. Unfortunately places for each club have to be limited so as to utilise resources effectively and offer the best experience for pupils. Where the club is oversubscribed we will operate a random allocation process. **The cost of each club is 50p per week which will need to be paid in full upon receiving an offer via acceptance letter.**

***Remember::***

***Morning Clubs are a good way to boost your Children's University hours. This year these clubs will also be subject to the application and registration process. If accepted onto a Morning club, please ensure your child is at school in PE kit for 7:55am, when the KS2 external doors are opened. Pupils will be able to change into school uniform before the start of the school day.***

**If accepted to a club, I will pay the full club fees in advance (50p per week) and ensure my child attends EVERY week.**

I confirm I will collect my child / they can walk home alone/ go to Lynch Hill After School Club. ***\*In the interests of pupil safety, please select the correct option to explain how your child will leave school. Forms which are incorrectly filled out will be returned and not considered.\****
