Dear Parents

Re: KS1 Clubs (Spring Term 2 - 27th February – 29th March 2017)

As you may be aware, all of the clubs offered at Lynch Hill School are affiliated to the Children's University Scheme. This scheme awards pupils for time spent in extra-curricular activities. We aim to offer a variety of clubs across the school year. Please find details of this term's clubs listed below. Unfortunately places for each club have to be limited so as to utilise resources effectively and offer the best experience for pupils. Where the club is oversubscribed we will operate a random allocation process. **The cost of each club is 50p per week which will only be requested after the offer of a club place has been made.**
