Road works at Five Points Junction and Burnham Station

We have had notification from the Highways Agency that work will be commencing at Five Points Junction and Burnham Station on Monday 6th February. The works are part of a program of construction works to be undertaken along Burnham Lane heading towards Burnham train station. The works will vary in terms of impact and duration and will be scheduled at various intervals throughout the next four months.

Delays for traffic are likely in this area but at no time will access be denied. Temporary diversion routes may also be implemented at certain stages of construction ie road resurfacing. This will normally be overnight for a limited number of nights. Pedestrian routes and temporary crossing points will be introduced and clearly signed at all times.

Please ensure you leave enough time for your journey so that you child is on time for school and you are on time for collection.

Can you help Year 1?

Do you know someone who works for a company that regularly has industrial cable drums to dispose of, or who might be willing to donate 3 or 4? They will make excellent tables in the new Year 1 Garden that we are planning! Please either let the office know or speak to Mrs. Abban.

Also, we would be grateful to hear from you, if you or someone you know has building skills and time to contribute to the project of helping to create a Year 1 Garden.
