Dear Parents of children in **3T**,

Swimming lessons will start at Beechwood School on **24th February 2017**. A qualified instructor will teach the children and they will travel to and from Beechwood in the school minibus.

A **contribution of £20.00 per term** is required to help cover the cost of the pool hire, instruction and transport, payable regardless of whether or not your child attends the lesson as the pool hire and instructor have to be paid.

It is a valuable and enjoyable part of the PE curriculum which all children are expected to complete. It is also an important life skill which will help keep children safe. Therefore swimming is not optional. If your child can already swim then the instructor will aim to improve their technique and extend their capability.

I am pleased to say that our swimming programme is extremely successful in meeting the required standard that every child should be taught to swim whilst in primary school.

Yours faithfully

Mrs G Coffey OBE
Executive Headteacher
