

6th March 2017

Dear Parents of: _____

In our efforts to further raise standards of achievement at Lynch Hill and in preparation for the KS2 SATs in May, we will be running a programme of Maths & English Booster classes for Year 6 children during the Easter break. Year 6 staff will lead the sessions and activities will be tailored to address your child's curricular targets; these sessions will take place in small groups.

The Easter classes will be held daily from **Monday 03rd April to Thursday 6th April, 9:00am – 12:30pm.**

Children may wear their own casual clothes to the sessions. As we expect many children to bring themselves to and from the club, we will allow children to bring their phones to school but staff will keep them during the lessons.

In previous years we have been very pleased at the progress children have made, as a result of attending Easter Booster Club. Obviously, we understand that some pupils will be unable to attend due to family commitments. Therefore, we will prepare a homework pack to be completed during the two-week break.

If you would like your child to attend, then please complete and **return the slip below by Friday 10th March** enabling us to plan staffing for the Booster classes. If you require any further information then please do not hesitate to speak to your child's class teacher.

Yours faithfully

Mrs G Coffey OBE
Executive Headteacher
